

# Atakan ONAY

Computer Engineer

## Contact

### Phone

+90 544 665 7433

### Birth

20.08.2003

### Email

ata.onay4@gmail.com

### Address

Maltepe, İstanbul

### LinkedIn

[linkedin.com/in/atknony](https://www.linkedin.com/in/atknony)

### Github

[github.com/atknony](https://github.com/atknony)

### Personal Site

[atakanonay.com](https://atakanonay.com)

## Expertise

Python

HTML/CSS React

SQL

## Language

English B2

Turkish Native

## Experience

July - August | 2025

Gen Yazılım (feta)

### Intern Engineer

We completed a three-week algorithm Python course, progressing from beginner to intermediate levels. During this time, we explored algorithm structures and then initiated a backend project using Django. To support this, we utilized SQL databases. All the materials can be found at:

2023-2026 | 2025-2026

O'Podcast | HSD Okan

### Editor

I am volunteering with the O'Podcast (Okan Podcast Community) and HSD Okan (Huawei Students Developers Club Okan Üniversitesi), I do the editing and post-production of podcasts and social media contents. Through this experience, I have developed skills in teamwork, problem-solving, and communication.

Okan Üniversitesi

### Computer Engineer

I studied English for one year in preparation, and now I am in my final year of my degree. GPA : 2.4

## My Projects

Please visit [atakanonay.com](https://atakanonay.com) to view my various web, game, and other projects that I have developed.

## About Me

I was born in Karşıyaka, İzmir. My father is a soldier in the Turkish army, which led us to move frequently between various cities and locations. Currently, I reside in Istanbul. I've had a passion for computers since I was a child, and I enjoy being creative and being productive.
